A healing weekend for bereaved individuals and families  
(Now in our 24th year)

**September 4 - 6, 2020  
(Labor Day Weekend)**  
in the Santa Cruz mountains  
of Northern California

This is a clinically based program for adults, children, teens, families of all kinds, and friends who are experiencing grief from recent or past losses in their life.

Now in our 24th year, *Grief & Growing*<sup>™</sup> is professionally guided by griefcare specialists. Held at a rustic residential camp/retreat center amid the redwoods, the Weekend provides a supportive Jewish environment where people of all ages and backgrounds can meet and work with those who have experienced similar losses.
